Fall / Winter 2022, number 47

## • Trends •

A nod to the roarin' 20s where everything literally went wild by partying in Chanel's widely acclaimed little black dress; then with heels and now with multicolored sneakers.

Of course you have all the freedom with lots of color but in this season iconic colors are the trend and the emphasis is on purple, ochre and cognac tones on your nails. Purple represents independence, mystery and magic. Mother nature asserts itself with ochre that has a warming effect and stimulates creativity and joy.

## • New CND Spa Manicure and Pedicure products •

The bar was set high, but CND is doing just fine; her new line of **Spa Manicure** and **Spa Pedicure** products called **CND Pro Skincare** is fantastic, an absolute hit, looking forward to the next 20 years of awards as far as we are concerned.

NEW  
**CND**  
PRO  
SKINCARE

ELEVATED SKINCARE AT YOUR SERVICE

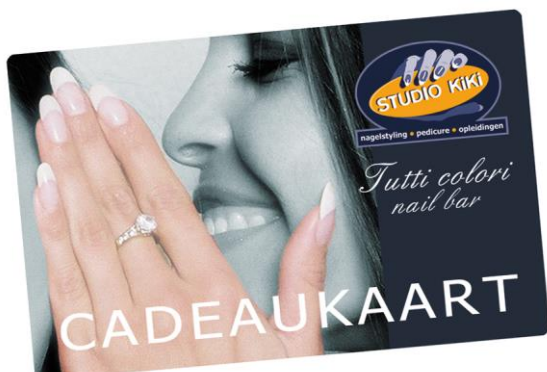

It is a complete line of prebiotic-enriched spa products for healthier looking skin; such as the Callus Smoother, Mineral Bath, Exfoliating Sea Salt Scrub, Intensive Hydration Treatment, all products that are balanced for hands & feet.

A very extensive line that we would like to inform you about in our salons.

## • Gifts •

And when we get together during the holidays, we also give each other presents again...

The possibilities with our **Lookgood.today** software are extensive. In addition to customer cards with which you can book appointments, you can also purchase digital **subscription cards** and **gift cards** online for an amount or for a treatment. Our festively packaged gift cards can also be collected from our shops.

## • CND Shellac vs Gelish •

The name of the autumn collection Shellac from Creative Nail Design (CND), the makers of the best Gel Polish in the world, already gives it away... **In Fall Bloom**; blooming hues and colors that will captivate you with deep purple-red tones and above that the warm yellow-orange; the color that can only be so beautiful in autumn.

The CND Shellac winter collection **Colorworld** consists of no less than 14 colors... and all equally beautiful, only CND can achieve this.

The color choice at Gelish is endless and the subtitle **A color for every star** for her latest winter collection is certainly justified. The collection focuses on the film **I wanna dance with somebody** about the life of **Witney Houston**, which will be released in December. The colors are clearly in line with the trends for this season.

## • Biab & Nail Art •

Remains a strong combination, both **The GelBottle** (TGB) and **CND PlexiGel** continue to expand with fantastic colors. If you are looking for extensive Nail Art for the holidays, book at one of our locations and choose from **swirls or handpainted nail art**.

## • Christmas •

It looks like this year it will finally be possible to enjoy a delicious Christmas lunch or dinner with family and friends. Finally again with all the red colors on our nails next to a beautifully decorated Christmas tree, not to mention cosiness, yes we need it.

Book your favorite spot around Christmas in time to be sure of the perfect look going into the holidays.

**Book on time and make an appointment now!**

We wish you A Merry Christmas and best wishes for a happy and prosperous New Year!
